DR. MAHAMMAD ARIZ AHAMMED, IAS
MISSION DIRECTOR

D. O. No. M-54011/1/2012-NWM/1007

24th July, 2017

Dear *Madam*

Government of India has launched National Water Mission (NWM) under National Action Plan for Climate Change. The main objective of NWM is "conservation of water, minimizing and ensuring its more equitable distribution both across and within States through wastage integrated water resources development and management". Under the mission every State and Union Territory is being supported to formulate a **State Specific Action Plan (SSAP) for Water** for sustainable development and management of their water resources by linking with the respective State Action Plan for Climate Change and other sectoral plans. The SSAP includes preparation of State Water Budget.

The State Specific Action Plan on water is a multi-disciplinary activity requiring active participation of all Stake holders related to water from supply side, demand side, governance side, technology side and environment and climate change perspective and also that of non-government agencies and citizens. The exercise involves a lot of convergence and synergy.

Given your rich experience and expertise in the water sector, may I earnestly invite you to kindly join a brain storming session on the subject scheduled on 26-7-2017 at 10.30 hrs at National Water Mission (NWM), CGO Complex, New Delhi (Committee Hall, Block-3, 8th Floor).

For any clarification you may please contact Mr. Sanjay Kumar, Scientist NIH, Roorkee and Mr. S.K. Mohiddin, Scientist, NWM, New Delhi (Email: mohiddin.sk@nic.in Mob: 9560599977).

Earnestly seeking your kind confirmation.

With warm regards

Yours truly,

(Dr. Mahammed Ariz Ahammed)
