Dr. Mahammed Ariz Ahammed
Mission Director

D. O. No. M-54011/1/2012-NWM/1113

Date: 4 August 2017.

Dear Sir,

Government of India has launched National Water Mission (NWM) under National Action Plan for Climate Change. The main objective of NWM is "conservation of water, minimizing wastage and ensuring its more equitable distribution both across and within States through integrated water resources development and management". Under the mission every State and Union Territory is being supported to formulate a State Specific Action Plan (SSAP) on Water for sustainable development and management of their water resources by linking with the respective State Action Plan for Climate Change and other sectoral plans. The SSAP includes preparation of State Water Budget.

The State Specific Action Plan on water is a multi-disciplinary activity requiring active participation of all Government Departments related to water from supply side, demand side, governance side, technology side and environment and climate change perspective and also that of non-government agencies and citizens. Thus, State/UT Governments need mentoring and guidance in the formulation of plans through convergence and synergy.

Given the direct and deep relationship of your esteemed Ministry / Organization with Water, may I earnestly request you to kindly nominate a senior officer as a Nodal Officer in this exercise of mentoring, guiding and reviewing State/UT Specific Action Plans on water. A meeting of nodal officers is scheduled on 10th August, 2017 at 11:00 AM at National Water Mission, CGO Complex, New Delhi. The venue of the meeting is Deptt. of Biotechnology Conference Hall, Room No. 503, 5th floor, Block-3, CGO Complex, Lodhi Road, New Delhi-110003.

Earnestly awaiting your kind cooperation by nominating a Nodal Officer from your Organization expert in Forests related matters with a request to attend the said meeting dated 10th August, 2017.

With warm regards

Yours truly,

(Dr. Mahammed Ariz Ahammed)
