Strength & Initiatives in Water Sector

Presentation
by

SUPPORT

(Society for Upliftment of People with People's Organization and Rural Technology), Jharkhand

Brief Introduction of SUPPORT

- Working since 11 district of Jharkhand
- Staff Strength : 176
- Core Strength of SUPPORT :
- Livelihood Promotion
- Natural Resource Management including Watershed Management, Ground water Management

Experiences on Water Related work

- Worked as BRC (Block Resource Centre) under Swachh Bharat Abhyan in Ramgarh district of Jharkhand
- Ground Water Management with ACWADAM and Tata Trust
- Implementation of PMKSY and IWMP in Barkatha block of Hazaribag district.
- WASH and WATSAN (Water and Sanitation Programme) Programme in Churchu block with CInI-Tata Trust

Experience on Land and Water Resource Development

Project	Batch & Period	Name of Activity	No of Structure	Area Irrigated (in hac)
DPAP Watershed&PM KSY	2002- Onwards	Land levelling/ Bunding	82 Hac.	-
		Boulder Bunds	608	-
		Seepage Tank	18	15
		Earthan Checkdam	06	13
MADA Prototype (Water harvesting, Irrigation & Land development)	I,ii,iii, & iv- 2006-2013	Irrigation Well	74	80
		Farm Pond	68	72
		Checkdam	06	14
		Land Leveling/ Bunding	32 Ha.	-
MADA Protype	V-2012 - onward	5% model	142 no.	-
		Seepage Tank	68	71
NABARD Watershed	2010 onward	Pond	06	15
		Dhobha	14	12
		Check dam	2	5
		Land levelling/ bunding	12 Ha.	-

AREAS OF COOPERATION

Integrated Water Resource Based Planning

Capacity Building and Training of Community and other Stakeholders

Development of IEC materials

Support in Implementation of Planning

Ensuring Convergence

Pilot phasing and Replication of Water Efficient prototypes

Ensuring participation of different stakeholders

PILOT/ DEMONSTRATION MODELS

Integrated Water Resource Based Planning

Ensuring Upland Treatment (on Ridge to Valley Approach) on WSC

Ensuring Community Participation and HH level engagement

Engagement of DMFT and CSR to support at local level

Engagement of Renewable Sources of Energy

GIS based planning and Monitoring
